

VISION OF SBP

SBP Project is an amazing project in a typical Portuguese style situated on the Silver Coast region in the west of Portugal

LOCATION

Near the Atlantic Ocean, in oasis of green, 5min from the beaches , and less the 1 hour from Lisbon

REGION

Silver coast is a typical Portuguese region , with different possibilities as Culture, sports(surf, MTB, golf, kite etc.) and the Portuguese culinary

CONCEPT

The Portuguese Alentejan Style are concepted in green environment

EXPERIENCE

The houses are developed, build and designed by Portuguese and experience people in the construction

Why the SILVER COAST

- For us, Portugal is the ideal combination of hospitality, culinary
- indulgence, relaxation, sport and the beautiful natural roughness.
- Within Portugal, the silver coast is an easily accessible pearl that has
- not yet had too much impact from mass tourism.
- Atlantic climate in a unique green environment. not too hot not too cold
- every day is different : no better place for us to stay

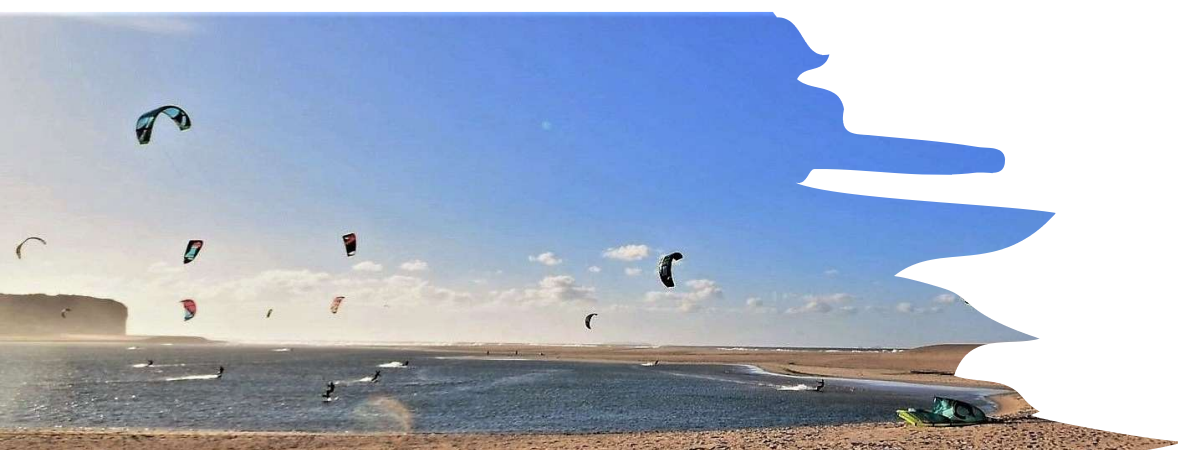

Beautiful beaches
and view on the
lagoon

Caldas da Rainha

Obidos

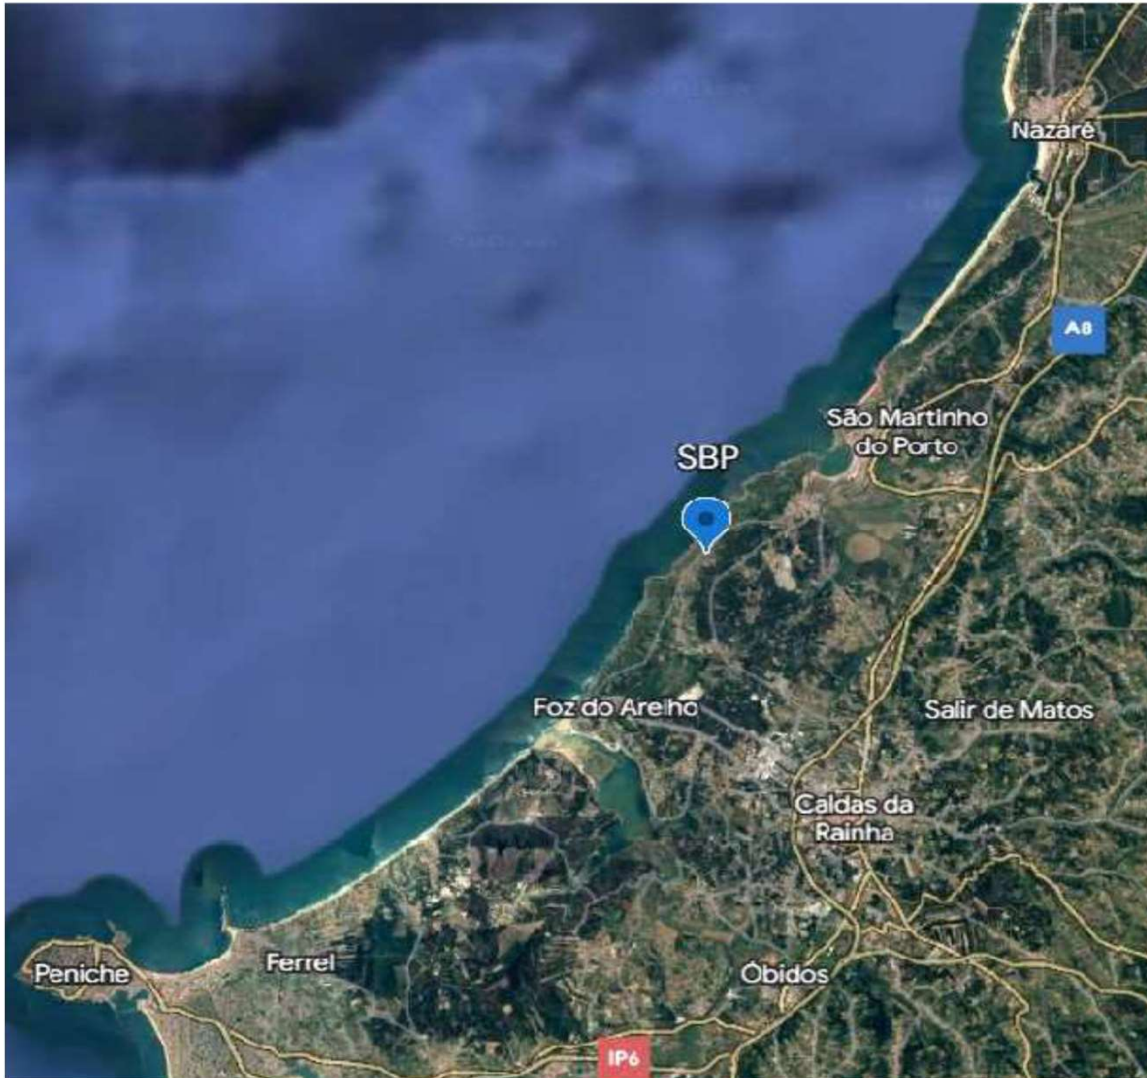

SPORTS

SBP Serra do Bouro Project

- SBP project is situated in Serra do Bouro , near the coast.
- There are 4 different villas in a typical Portuguese style designed by a
- experienced Portuguese Architect, developed with a modern interior
- and with all the comfort.
